DLP IMPEX PRIVATE LIMITED

TABLE OF CONTENT

ROUND PLATES

Our round palm leaf plates are a fantastic eco-friendly alternative to traditional disposable plates. Crafted from naturally fallen palm leaves, they are not only sturdy and durable but also add a rustic charm to any dining setting. Perfect for serving appetizers, salads, and entrees at events, parties, and weddings.

SQUARE PLATES

For a unique and modern touch, our square palm leaf plates are an excellent choice. They are designed to enhance the visual appeal of your culinary creations. These plates are available in various sizes, making them versatile for different food items and occasions.

SERVING TRAYS

Our palm leaf serving trays are the ideal choice for presenting an array of snacks and appetizers at gatherings or special events. They are strong enough to hold even heavy platters and add an elegant touch to any occasion.

BOWELS

Our palm leaf bowls are perfect for serving soups, stews, or desserts. They come in different shapes and sizes to accommodate a wide range of culinary delights. The natural textures of the palm leaves give these bowls a unique and rustic look.

CUTLERY AND STRAW

In addition to palm leaf products, we also offer wooden cutlery and straws. These are made from sustainably sourced wood and are biodegradable and compostable. They are an excellent alternative to plastic cutlery and straws, helping to reduce plastic waste.
