TABLE OF CONTENT

ROUND PLATE

Our round sal leaf plates are a fantastic eco-friendly alternative to traditional disposable plates. Crafted from naturally fallen palm leaves, they are not only sturdy and durable but also add a rustic charm to any dining setting. Perfect for serving appetizers, salads, and entrees at events, parties, and weddings.

BOWEL

Our sal leaf bowls are perfect for serving soups, stews, or desserts. They come in different shapes and sizes to accommodate a wide range of culinary delights. The natural textures of the sal leaf give these bowls a unique and rustic look.

COMPARTMENT PLATE

Sal Leaf Compartment Plates, an eco-friendly and biodegradable alternative for serving food. These plates are made from natural Sal leaves, providing a sustainable solution for disposable tableware.

FOOD CONTAINER

Sal leaf-made food containers, an eco-friendly and sustainable packaging solution. These containers are crafted from natural Sal leaves, making them biodegradable and compostable. Sal leaf containers are perfect for serving food in an environmentally responsible manner, widely used in restaurants, catering, and for takeaways.

CUTLERY AND STRAW

we also offer wooden cutlery and straws. These are made from sustainably sourced wood and are biodegradable and compostable. They are an excellent alternative to plastic cutlery and straws, helping to reduce plastic waste.
