TABLE OF CONTENT

ROUND PLATES

Our round sugarcane bagasse plates are a testament to sustainability and convenience. Crafted from the fibrous residue left behind after sugarcane processing, these plates are not only durable but also eco-friendly. Ideal for serving a variety of dishes at events, restaurants, and parties, these plates are a perfect choice for those who want to make a positive impact.

TAKEAWAY CONTAINERS

Our sugarcane bagasse food containers are the ultimate solution for packaging and storing food. They are durable, leak-resistant, and microwave-safe, making them ideal for takeout and leftovers. Plus, they are compostable and biodegradable, ensuring minimal environmental impact.

COMPARTMENT PLATES

Our sugarcane bagasse partition containers are designed to accommodate multiple food items in a single container, making them ideal for takeout meals, lunch boxes, and meal prep services. The compartments help keep different food items separated and organized.

BOWLS

Our sugarcane bagasse bowls are the perfect choice for serving soups, stews, desserts, and more. These bowls come in various shapes and sizes to cater to a wide range of culinary delights. The natural texture and color of sugarcane bagasse give these bowls a distinct, rustic appeal.

CUTLERY & STRAWS

We also offer wooden cutlery and straws. These eco-friendly alternatives are made from sustainably sourced wood and are biodegradable and compostable. By choosing wooden cutlery and straws, you're contributing to the reduction of plastic waste.
